

Name: Alexander Fraser

Position: VP Student Life

Profile Statement: Alex is a level-headed leader who prides himself on listening to all sides of the issues. With 4 years of management experience in his past career, he has the foundation to work together with other council members, staff, and the college to deliver on his campaign promises.

Platform Statement: Alex believes that the key to making organizations work for the people they serve is engagement. Inviting your feedback, and working on the services, events, and recreation

that YOU want, will be the guiding principle of his term in office. Ways he will work to improve student life include:

- Finding a spot on campus for a weight/fitness room, OR a local fitness partner for discounted student rates.
- Improve LSU website calendar so it clearly displays upcoming events.
- Increase the number of student events on campus, while hosting open forums to decide which events are the most popular among students.
- Improve accessibility to clubs, using other institutions methods of web calendars and/or booking systems as guiding ideas.
- Work to improve the bike shop, and explore staffing it for students who do not have repair skills.
