

Name: **Harjot Grewal**

Position: ***Diversity and Inclusion Representative***

**Profile Statement:**

My name is Harjot Grewal. I am a second year student competing a diploma in Business management. I am a very dedicated volunteer of the LSU and will always encourage positivity, transparency and inclusion on campus. Advocating for students' rights, human rights is something I am passionate about. In the past I have volunteered with various clubs and organizations to provide meals and support for at-risk people.

**Platform Statement:**

I'm from a small town in Punjab India, and therefore recognize the importance of adequate support and fulfilment for those who have been discriminated against because of race, ethnicity, religious backgrounds, sex and identify as queer, gay, lesbian, and transgendered. Thus, I hope you'll take the time to consider me as a candidate for the role of Diversity and Inclusion Advisor. I believe in equality for all students; gender and sexual identity should be irrelevant when it comes to the quality of education a student experiences. Although progress is being made, many students still don't feel comfortable with themselves on and off campus. If elected to the role of Diversity and Inclusion Representative, I will help create a welcoming and supportive environment on campus. Having served as a voting member of LSU Council last term, I am already involved with certain groups and initiatives. Thus, I will be able to successfully execute events and activities with the help of LSU staff and the Members of Langara College. Thank you for considering me for this position.
