

Name- Humraj Singh Grewal

Position- V.P of Student life

Profile Statement- I am second year student in program Bioinformatics. Talking about hobbies I don't have much just few I like writing short poetries and much more listening music. After completing my diploma I will pursue my further studies in same field. My friends describe me as jolly and caring.

Platform Statement- Being a Student of this college for about six semester I am known to all the problems faced by students from accommodation to registration. I will like to help them in all aspects I will be able to. Moreover I am know all the duties as the portfolio of the Vice-President Student Life includes non-academic advocacy on issues that impact students, which can include everything from mental health to residence. The VP Student Life is also the executive responsible for much of the programming and events put on by the Students' Union, as well as services like the Peer Support Centre.
