

Name: **Gurleen Sidhu**

Position: ***Vice President External Affairs***

**Profile Statement:**

Hi my name is Gurleen Sidhu and I am a 2<sup>nd</sup> year student here at Langara College. I am an international student who started attending Langara right after graduating from high school in India. Currently, I work in the retail industry alongside currently holding the position of Vice President of Finance at the Langara Students' Union. I like socializing and meet new people which I makes me very happy at both of my jobs.

**Platform Statement:**

I have been involved with the LSU for a few years now, first as a volunteer and then as the Vice President of Finance. In my current role, I work with the Board of Executives to bring about positive changes, ensure flow of operations, act as a signing authority, and oversee budget and financial matters. My team and I worked together to put on successful events with record number turnout, hired new staff members to push the direction of the organization to a new and more efficient heights, and campaigned and petitioned to have rent prices reduced.

With my previous years of knowledge and experience with the organization under my belt, I am confident that I am the best fit for the role of Vice President of External Affairs. I look forward to bringing more services for the student body population, host more one of a kind events, bring awareness surrounding the struggles and concerns faced by post-secondary students. Please vote Gurleen Sidhu for VP External! Thank you
