

Name: Manpreet Singh

Position: General Representative

Profile Statement:

Hi, my name is Manpreet Singh. I am an international student completing my Associates Degree. My passion for working with people has always been an innate part of my personality and through my volunteering, education and life experiences I have been able to supplement this passion with formal training and participation in a variety of diverse environments. I strongly believe that Langara is a great platform for initiating my journey towards further growth and success.

Platform Statement:

I have been a volunteer with the LSU this past year. I would be honored to be able to serve as the General Representative for the upcoming term. I am dedicated to accepting the responsibilities required of this leadership role. My dedication to utilizing my interpersonal skills, engaging in community development, and identifying contemporary issues has solidified my desire to pursue a career that encompasses these elements. I aim to further create new student services and financial assistance programs for domestic and international students. I will be committed to diversity, social and economic justice, and the promotion of community well-being by demonstrating leadership, providing support and promoting self-empowerment. As an officer in this organization, I agree to advocate for inclusion and respect, and to work in full cooperation with a team to implement programs and campaigns that benefit all members of the Langara Students' Union. Please vote for me as your General Representative! THANK YOU!
